User Data Deletion Instructions

To disconnect your Facebook account from AI Carz, follow these steps:

Step 1: Access Facebook Settings

1. Log in to your Facebook account using a web browser or the Facebook mobile app.

2. Click on the downward arrow icon (▼) in the top right corner of the Facebook page (for web) or tap the three horizontal lines (☰) and scroll down to find "Settings & Privacy" (for mobile).

3. From the dropdown menu (web) or settings list (mobile), select "Settings."

Step 2: Manage Apps and Websites

1. In the left sidebar (web) or under the "Security" section (mobile), click on "Apps and Websites."

2. Look for "Logged in with Facebook" or "Active" apps and websites.

Step 3: Disconnect AI Carz

1. Locate AI Carz from the list of connected apps and websites.

2. Click on AI Carz to select it (web) or tap on it (mobile) to view the app details.

3. Look for an option that allows you to remove/disconnect the app. On the web, this may be labeled as "Remove App" or "Disconnect." On mobile, it might be an "Remove App" button.

Additional Information

1. Disconnecting your Facebook account will revoke AI Carz's access to your Facebook information.
2. Your previous interactions within AI Carz using Facebook authentication may no longer be available after disconnecting.
3. If you encounter any issues or have questions regarding this process, contact our support team at admin@aicarz.com.
